

# Yacht Overview

Vanquish VQ45

## EXPERIENCE M/Y CECE

*Miami, Bahamas & Caribbean*

This fully customized T-top VQ45, Cece, is chic and very versatile. It has the power to propel you through the water like a rocket, but has space for up to 12 to enjoy a sunset cruise. Cece is equipped with Seakeeper 6 Zero Speed Stabilizers to ensure a comfortable ride for your friends or family. This yacht is famed for its seaworthy stability and comfort, making it much less daunting than other powerboats to those who usually prefer to keep their feet firmly on shore. The retractable awning, automatic swim platform and Seabob make it a great boat to get out on the water for the day.

## ABOUT THE BRAND

*Vanquish Yachts*

Based in the Netherlands at the epicentre of the world's premium yachting industry, VQ Yachts offers boaters something truly unique.

All VQ yachts share a base set of characteristics: a high-performance engine and comfortable facilities to match the high-speed excitement. VQ Yachts only creates boats for demanding individuals, so every yacht is crafted with total quality and reliability, and equipped with the latest engineering technologies and systems.
