

Yacht Overview

70 Hatteras Sportfish

EXPERIENCE M/Y RAYNE CHECK

Miami, Bahamas & Caribbean

You can expect to do some spinning, trolling, drifting, jigging, bottom fishing, or maybe something more specialized in this area. Capt. Matt can also have you kite fishing. Young ones are welcome, so get 'em offline and onto the water! Be sure to ask if child-sized life vests are available, otherwise you should bring your own. Snacks are never a bad idea – lucky for you, there will already be some on board! You'll be welcome aboard a 70' Offshore sport fishing yacht with capacity for 10 passengers. It comes with outriggers, downriggers, a fighting chair, and all the essentials no fishing machine can run without. There's a toilet on board for your convenience. Rods, reels, and tackle are provided, as well as lures. Live bait is on offer, but you should ask the captain whether you'll be catching it yourself.

ABOUT THE BRAND

Hatteras Yachts

There is an undaunted spirit in the Hatteras brand. You can see it in the obsessive work of the men and women who pour their talent and heart into building each legendary vessel. You can feel it in the way the Hatteras hull cuts confidently through waters that lesser boats dare not enter. But more than anything, you can witness it inside the ambitious souls who make Hatteras an expression of their own drive for adventure. Those who are unwilling to compromise and determined to push boundaries. So, for all those who celebrate a life without limits, we welcome you aboard.
