Mangusta 108

## EXPERIENCE M/Y TOTAL

*Miami, Bahamas & Caribbean*

Super yacht Mangusta 108 (33.5m / 108') is in her range, one of the most spectacular charter boats in the world. Built by Overmarine, Mangusta superyachts in any range are always something special. These charter boats exude perfect elegance and harmony and most of all presence. The clever design provides a truly amazing sporty profile while still offering good stability at sea and comfortable and luxurious accommodation for yacht charter guests. There is room for 9 on term charters.

## ABOUT THE BRAND

*Mangusta Yachts*

The Balducci family founded Mangusta in 1985, choosing a symbolic name for the company. At the time, the leading brand in open yachts was Cobra by Tecnomarine: the new company was therefore named after the mongoose, the only animal that can fight and defeat cobras. Mangusta clearly set out to challenge the status quo.
